## NOTES

- We have an IEM system using the above inputs with a Behringer X32 rack.
- Soundcheck stage right to left
- Band provides DI's, no phantom power needed
- Washboard needs SM57 or comparable mic with short mic stand; place stage left of mic stand
- EQ stompbox similar to kick drum thud
- Extra harmonica mic optional - can use Brian's vocal mic if preferred
- Vocal leads change song to song - adjust levels accordingly
- Touch of reverb on fiddle and vox preferred
- Bass goes direct out from bass amp
